(for ease of reference, hereinafter collectively, “Evoke”), which owns and operates the outdoor program commonly known as Evoke Therapy Program, that I/we have the legal authority to grant this Power of Attorney.

We hereby execute this Power of Attorney in order that Evoke may, if necessary, in its judgment, authorize or provide care and treatment to the Student, as referenced below.

I/we agree to delegate to Evoke while the Student is in Evoke’s custody, any of the powers of the parent or guardian with respect to such Student regarding Student’s care and custody, including with respect to (a) physical and mental health care and treatment and (b) personal property of the Student located on Student’s person or located at any Evoke facility or encampment, but in no event shall such power include the power to consent to marriage or adoption of a minor ward. In this contract, the party who is contracting to receive services will be referred to as the "Client" and/or "Parents/Legal Guardian" and/or "Father/Legal Guardian" and/or "Mother/Legal Guardian". 1. IDENTIFYING INFORMATION

I/we, (Parents or guardians) _____ the parents/legal guardians of _____ (the "Student's" name), enter into this contract with Evoke for the purpose of securing placement of the Student in the Evoke at Entrada Therapy Program ("Evoke Program") and clarifying the rights and responsibilities of each party. **If one parent signs the contract, such parent is representing and warranting that both parents are consenting to the Student's admission. In the case of divorce or unmarried guardians, I/we state that we are in fact the legal guardians of the Student, and have the authority to act and make decisions regarding the Student, alone, and will provide documentation showing such authority before the Student begins the program** _____ (initial and date)

2. ELIGIBILITY AND ACCEPTANCE

I/we understand that the Student must meet Evoke's eligibility requirements for acceptance into the Evoke Program, and that our misrepresentation of any facts regarding the Student's eligibility for the Evoke Program potentially places the Student at great risk and may result in discharge from Evoke. I/we further understand that part of the screening process is completed in the first week of the Evoke Program, and sometimes it may take as long as three to four weeks for Evoke to determine the Student is not appropriate for the program. I/we acknowledge that Evoke may determine during such period of time that the Student is clinically or medically inappropriate for placement. If as a consequence the Student is discharged at this time I/we agree to pay for the return trip home or for travel expenses to another placement. I/we understand that we will be charged only for the days (any time spent at Evoke on any day is counted as a full day) that the Student is enrolled. Refund monies will be issued after 30 days from discharge to account for all outstanding expenses. _____ (initial and date)

3. COSTS OF PROGRAM

I/we understand that the cost of Evoke at Entrada is **\$545.00 per day**. I/we further understand that there is a minimum length of stay of **42 days** and that should the decision be made to extend the length of stay for my child the extensions will be in seven-day increments billable to a credit card, at the rate of **\$545.00 per day** as stated above, unless prior arrangements have been made to pay by cash or check. I/we understand that there is an additional **enrollment fee of \$2,950.00** due upon admission of Student. The enrollment fee covers the application fees and initial gear supplied to the Student. _____ (initial and date)

Full payment by check, certified check, wire transmission, or credit card for all anticipated costs must be received prior to the beginning of the Evoke Program. Make checks payable to Evoke and send via overnight mail to the address in the Payment Agreement. If the decision is made to extend the Student's stay, or any additional costs are incurred, payment for those costs is due within 10 business days of the decision. Failure to pay may result in the Student's immediate discharge from the program, and at Client's expense. Such a discharge may be against clinical advice. I/we will not hold Evoke responsible for any consequences that result from the Student's premature discharge and Client remains liable to pay for any and all costs incurred to that date. _____ (initial and date)

Student Name: _____

4. PREMATURE DISCHARGE

If the Student is discharged prematurely for medical or clinical reasons, which Evoke retains the right to do, full refund or monies on a per day rate will be given after deduction of expenses incurred by Evoke on behalf of Student and not included within normal room and board costs. Such expenses would include, but not be limited to, destruction or loss of property by Student, costs incurred in attempting to locate Student if Student runs away from the program, medical or dental expenses, etc. Refund monies will be issued after 30 days from discharge to account for all outstanding expenses. All gear issued to and paid for by the Student remains the property of the Student, Student must also assume full responsibility for replacement cost of new gear if the gear previously issued to and paid for by (or loaned to) Student is lost or destroyed. Any other property, owned by Evoke, Evoke personnel, or any person outside Evoke, which is damaged by the Student, will be the responsibility of the Student and the Student's parents, legal guardians and financial guarantor. _____ (initial and date)

If the Student leaves the program prior to completion (for reasons other than a discharge by Evoke for medical or clinical reasons), parents/legal guardians/financial guarantor agree to be bound by the terms of this Contract for Services for a minimum payment of 21 days (i.e., at the per day rate set forth above). A refund will be made at the established per day rate for days in excess of 21 days, less any out-of-pocket costs incurred by or owed to Evoke with respect to Student. The foregoing refund policy may be applied more leniently by Evoke but only due to extreme circumstances and in all events subject to Evoke's sole and absolute discretion. _____ (initial and date)

5. RUNAWAY EXPENSES

Any costs incurred by the Student if Student runs away from Evoke, and expenditures made by Evoke in the pursuit of the Student will be paid by the Student's parents/legal guardians and financial guarantor, if any. Evoke will make every reasonable effort to find the Student in as quickly a manner as possible. I/we hereby release, hold harmless and indemnify Evoke from any and all liability arising out of or resulting from the Student running away while enrolled, except for any liability arising out of Evoke's gross negligence. _____ (initial and date)

Welcome to Evoke Therapy Programs,

We are excited to work with you and your child. Part of our commitment in supporting our families is providing insurance coverage assistance. Please understand you are responsible for paying the entire cost of Evoke Therapy Programs up front, and know we do not bill insurance companies directly. However, we do provide the resources for reviewing your insurance policy and support you in obtaining reimbursement from your provider. Informative to note, insurance companies' policies are ever-changing with regard to facility authorizations, mental health/substance abuse coverage, etc. The Mental Health Parity Addictions Equity Act and the Affordable Care Act have opened up new ways to have these types of claims properly reviewed and considered for full benefits.

To assist you in pursuing your benefits, we want to put you in contact with a healthcare advocate company that can advise you how to go about it. Denials Management, Inc. has been providing services to healthcare providers, families and facilities for over 25 years, and has helped thousands of families get their claims paid. They can help you set up a game plan to investigate your coverage and evaluate any claim issues that may arise, starting with a straightforward explanation of the complexities related to your claim, in terms you can understand.

The staff and resources at [DMI](#) offer a full array of assistance in verifying benefits, conducting policy reviews, and consulting with you about your insurance carrier's requirements for coverage of intermediate levels of care, billing, pre-authorization and appeal. Their initial registration fee of \$250.00 is paid for by Evoke.

To take advantage of your FREE consultation call with the President of DMI, reach out to her at:

We appreciate the opportunity to work with you and your child. We hope this free review will aid you in recovering some of the expenses associated with our program. If you have any questions or concerns, please contact us for further guidance.

Thank you,

The Evoke Therapy Team
