

Intensives is taking steps to keep you healthy.

For more information email us:
intensives@evoketherapy.com

Dear friends,

As we recognize the need for mental health services and reopen to small groups, Evoke Intensives is taking steps to manage the safety of our participants and employees.

- In-depth Screening Procedures
- EPA/CDC Recommended Cleaning & Disinfecting Protocols
- Enhanced COVID-19 Training

We will continue to follow the recommendations and guidelines of scientific and health agencies. Thank you for your continued support. We look forward to serving you, in person, once again.
